

You're invited to...

Host a Parlor Party

A social gathering with your network of family, friends, and associates, hosted at your home. The event involves a presentation of the work and impact of The Living Room, by a representative of The Living Room, time for question and answers, small-group discussions, donor engagement opportunities, and time for participants to casually socialize and enjoy appetizers.

**Help spread the word of the
great work that
The Living Room is doing in
Sonoma County.**
